

Investing Dynamics Course

by Jerry E. Tuma, CFP®

- Introduction
- The Government's Influence on Stocks and Investments
- Facts & Fallacies of Investing Part I & II
- Demographics Part I & Part II

Available Now!

Whether you are a do-it-yourself investor, one who delegates or a trained investment professional, this comprehensive, self-study course gives you the knowledge you need to make better decisions about your money.

Learn to prepare for all economic climates; bull markets, bear markets, expansions and recessions.

Emotionally, often times we are our worst enemy. Understand how you as a unique person can best manage your money and move forward overcoming your emotions.

Course includes a written manual and 6 compact discs that include the Introduction and 3 sections.

Take the *Investing Dynamics* Course today and empower yourself to make far better financial decisions.
